WEDNESDAY, APRIL 26.

ANNOUNCEMENTS.

We are authorized to announce
J. A. BELLMAY
As a candidate for the nomination in our county in
the Lower House of the next General As-
sembly, subject to the action of the mem-
bers.

We are authorized to announce
JAMES B. MARTIN
Of Hartford, candidate for the
Democratic nomination for Clerk Court
Appals, subject to the action of the Demo-
cratic party.

JUSTICE BRADLEY, of the Supreme
Court, is ill and cannot meet with
the court. His illness will interfere
with the business of the court.

DR. TALMAGE'S NEW TABERNACLE
was opened in Brooklyn last Sun-
day. It has a seating capacity of
5,500 and has already cost \$410,000.

HUME CLAY, the young man
who forged his grandfather's name
to checks, was found guilty of mail
fraud at Paris and sentenced to a term in
the penitentiary.

COUNT VON MOLTKE, Germany's
great warrior, died suddenly at Ber-
lin Saturday afternoon. He died
of heart failure, and had just attend-
ed a session of the Reichstag.

F. & L. UNION of the First
Congressional District, in session at
Paducah, decided not to enter politics
as a new party, and to take no
stock in the third party movement.

MAJOR ISAAC GALTONE has been
nominated by a citizen meeting as
a Legislator candidate for McLean
county. He is a Republican of the old
school, consequently his prin-
ciples are wide of what the Alliance
is now contending for.

PRESIDENT HARRISON no doubt
has a better opinion of the South
than he has heretofore held. He was entertained royally where-
he went, notwithstanding he wanted
to put the Force bill in operation
throughout the South to perpetuate
Republican rule.

NEXT Saturday will be the day
of the Convention to nominate a candidate
for the Legislature and to select delegates
to the Louisville Convention. It should
be largely attended by men from all
parts of the country who are interested
in the welfare and prosperity of
their county and State.

SECRETARY FOSTER is in trouble.
In June \$28,000,000 is due for pen-
sions, and in September \$30,000,000
in bonds fall due, and there is nothing
in the Treasury to pay off these obli-
gations. Reed's Billions of Dollars
Congress not only depleted the
Treasury, but left a deficit.

COL. E. R. WREN, of Greenville,
is announced as a candidate for
State Auditor on the Republican
ticket. The Colonel is a stanch
Republican, and has always been
true to his party. He had as well
occupy a place on the ticket as any
one else. Of course he doesn't expect
to be elected.

THE HON. CHAUNCEY DEPEN-
ton is as say the "Red" Republican
President's ticket would be
carrying the name not "Union"
in this country. The Hon. Chauncey
will prove a false prophet. He will
be astonished when he sees the re-
turns from the "aces" in the next
Presidential vote. The Republican
President will then be shown under-

ARTHUR HADEN and Tom Rice,
two negroes in jail at Bowling Green
for house-breaking, escaped Sunday
morning. While the jailer and his
deputy were both away, the daring
jailbirds pried open a bar of an
outer window and made their
escape. Both were noted housebreakers
and had an unusual reputation.

OSCAR HOOG, editor of the Central
City Republican, has gone again,
and this time perhaps to stay. Be-
fore leaving, he tried to whip the
editor of the *Herald* for publishing
the truth about him, but failed
that young gentleman dead game when
tackled, although a quiet and un-
trustworthy young man ordinarily. The
Republican is temporally edited by
David Powers, who is quite a bright
young man.

THREE counties held pre-con-
ventions last Saturday. They were
Warren, Daviess and McLean. If
they indicate the way the State will
go for Governor, John Young Brown
will fill the gubernatorial chair.

Although the United States has
law against the importation of contract
labor, the law is easily avoided, and
men, under an understanding that a
contract will be made with them,
come to take the place of the Amer-
ican laborer. The glass manufacturers
met and signed a scale of

prices 10 to 15 per cent. higher than
those charged before the McKinley
bill went into operation. They now
get more for their manufactured
glass, which of course the consumer
has to pay. They pay no more for
labor, but import a cheaper labor to
drive out the home labor. They are
able to enter into these combines to
sell at higher rates because of the
protection they receive from the Mc-
Kinley bill. And yet there are per-
sons so blinded by the prejudice of
partisanship as to say the tariff is not
a good thing.

LOUISVILLE will be crowded with
visitors the second week in May. The
Great Musical Festival begins
on the 12th, the Democratic Con-
vention on the 13th and the Elks
held a meeting at the same time.

The railroads have agreed to give re-
duced rates to the Musical Festi-
val at one and one-half fare
for the round trip. Tickets good
from the 11th to 15th. This will be
a rare opportunity to see Louisville in
its best condition.

PROF. Z. O. KING, of Oldham
county, is favorably mentioned as
a candidate for Superintendent of pub-
lic Instruction on the Republican
ticket. Prof. King is a native of
Ohio county, and would be as good a
man as that party has in the State to
hold an honorary position on its
ticket. Prof. King is a member of the
Republican Convention in Ohio, and
concluded to endorse Prof. King
when asked to do so by Col. Wal-
ding. They would only have hon-
ored themselves by thus honoring
him.

MR. J. B. MARTIN, candidate
for Circuit Clerk of Appeals, was in
Hartford last week in the interest of
his candidacy. He is quite popular
in Ohio county in the race, last
year, and is even more so now. There
is no question as to his fitness for
the position he seeks. He is making
this race purely on his merits and
qualifications. He is every inch a
gentleman, and from the signs of
time, will win the nomination.

OUR STATEMENT in our first answer
to the effect that political and personal
malpractices and prejudice was the
sole cause for the unwaranted at-
tack, has been fully verified.

E. P. REED is to certify that P. F. Reed
presented a position to the people he
had a position to hear, and he did hear
what was spoken by the County Attorney on
the subject, or he so says, and I am unable
to verify it. The fact is, however, that the County
Attorney would not have anything more to do
with the case than to let it stand over.

REED is to certify that in Bellwood
he was present when Prof. King
arrived, and he was present when Prof. King
left. He was present when Prof. King
left, and he was present when Prof. King
left.

FOR GOVERNOR — Of the candidates for Governor,
two have addressed the citizens of
Ohio county, and a third will speak to
them Friday. Gen. Harlan will make an
elegant speech and stand high in
the opinion of Ohio County Democ-
ratic, but their attention is directed
toward other aspirants in this race.
Hon. John Young Brown made a
bold, strong and forcible speech, and
Dr. Clardy will be here Saturday.
It remains for that day to settle the
full measure of his strength.

BROWN AND CLARDY are
contenders for the office of Governor,
and are strong and favorable following. One will
get the first instruction, the other, second. If the
Convention is to be held to-day, Brown
would come under the string first by
a long distance. Clardy's speech
Friday may change the places.
It is argued that while Dr. Clardy is a Democrat, he
is particularly the candidate of the
farmers. The *Herald* publishes
today an official resolution adopted
at the late session of the Convention
advising Allensburg members to
attend the next session of the
General Assembly.

THE FARMERS wish to control
legislation and the State Government in
Kentucky, they can do it by going
through the Democratic party.
They are the only ones that
have the power to do it.

ATTEND — **TODS**, **G. POORE**, Secretary.

THE REPORT FILED.

The Survey of the Henderson State Line Accepted and the Means to Be Found.

The Evansville Standard says: "Yesterday the board appointed for preliminary workings by the gentlemen having in view the building of a road from this city to Chatsanooga, via Henderson, engaged Captain W. H. Pittman and Captain J. B. Pittman and Josephine Collett, of Terre Haute, the former the surveying engineer who made the preliminary surveys, were in the city and attended the general interest meeting, yesterday afternoon."

"The report of the board was accepted, it being very satisfactory, and now the only thing in hindrance is ways and means, and they are now looking about for that."

"Mr. Collett has been strongly urged to hold the project and carry it through, but whether he has decided to do so remains to be seen. He and Mr. Pittman returned home on the evening of the meeting, without any definite statement to say on the subject."

"It is hoped Mr. Collett, or some other capitalist equally influential, will take this project, if it would mean a vast deal of money annually for Evansville. Many persons are of the opinion, however, the investment will be found to be a very good one, the ultimate result being that the project will be extremely satisfactory, and then the opening for business is no small factor in the consideration."

Hoover-Moore.

This afternoon at six o'clock Dr. J. C. Hoover, of Pleasant Ridge, and Dr. Jameson Moore, of Hazel Dell, were present at the meeting of the Board of Trade, and the ceremony will be performed in the parlor of the Hotel Moore. Dr. J. S.
